

Directions to El Nidito

- Take Highway 1 to Cañas.
- In Cañas follow the signs to Tilarán.
- There will be a T-crossing as you leave Cañas. Take a left there, following the signs to Volcano Arenal.
- As you enter Tilarán there will be a steep uphill. Eventually there will be a very sharp left you have to take. There is a restaurant/souvenir shop on that corner. Continue following the signs for Volcano Arenal. This road will go down, then cross a bridge and then steep uphill until you pass a gas station. This is the last gas station if you are planning to stay in the Sabalito area
- Then take the next paved road left. You will see the lake on your right hand side and you will be going clockwise around it.
- You will pass Hotel Tilawa and the Tilawa Water Sports site. Then there will be a sign for Hotel Pizzeria Mystica leading you to a left turn steep uphill. This road passes Mystica.
- Two minutes later you will be in Sabalito and will cross over three speed bumps. About two kilometers past Sabalito, there will be a driveway on your left bordered by orange clay earth, with a streetlight directly across the street. Look for a bright yellow “N” on the red meter box at the edge of the driveway, and you have arrived at El Nidito Guesthouse!

El Nidito Guesthouse is 1 1/2 hours from Liberia Airport and 4 hours from the San Jose airport. Buses run daily between Tilarán and Liberia, and between Tilarán and San Jose. We provide free pick-up from the Tilarán bus station.
